

1607M² \$65,000

Located in Cañaza, Osa Norte, Costa Rica, this property sits on a titled 1,607 m² lot (approximately 0.4 acres), just 100 meters from the paved highway turnoff along San Miguel Road. The location provides convenient year-round access in a quiet rural setting. Grid electricity, municipal water, and reliable cellular service are available.

The home features two bedrooms and one bathroom and is constructed with a combination of concrete and wood. Ceramic tile flooring throughout the residence provides durability and easy maintenance. A covered veranda secured with gates adds both privacy and functionality to the living space.

Offered at \$65,000, this property presents an affordable opportunity in the Osa region. Its practical infrastructure and accessible location make it suitable for full-time living or occasional use. The spacious lot also provides room for gardening, outdoor activities, and future improvements.
